

DEAN'S CIRCLE

Wigmore

The Wigmore Club Dean's Circle members are leadership donors to Northwestern Pritzker School of Law committed to building and maintaining a foundation of support for the school with gifts of \$10,000 or more annually.

Donors at this level lead the alumni donor community through their generosity, engagement, and commitment to Northwestern Law. Members of the Dean's Circle will be invited to join the Dean and other Law School leadership for exclusive events and early access to strategic initiatives and programming for the Law School.

Dean's Circle members are essential to furthering Dean Yuracko's vision for the future of Northwestern Law by providing critical resources for both immediate needs and new initiatives at the Law School.
